PETITION TO DENY

Ted Haynes d/b/a Community Broadcast Network, licensee of KBOC (FM) of Bridgeport, Texas, opposes in its entirety, the proposal of the Hunt Broadcasting, Inc, licensee of station KIKM (FM), Sherman, Texas and permittee of station KAIH (FM), Jacksboro, Texas and Cowboy Broadcasting, LLC, licensee of station KVMX (FM) Eastland, Texas....Collectively referred to as 'KIKM'.

Flower Mound is a suburb community of the Dallas - Fort Worth Metroplex and as of June 9, 1996, is being served by 27 AM, 35 FM and 14 TV Stations, with more coming. See exhibit #1.

KBOC has been serving Bridgeport and Wise County on Channel 244A since coming on air in 1982. KBOC is the main weather source for this county. We are listened to by young and old alike and all depend on KBOC for the latest in weather and local activities. Bad weather begins in this area, and KBOC prides itself in providing our listeners with accurate, fast weather information for the whole of Wise County. If, as proposed by KIKM, we have to move to Channel 252 A, there is a 25 kw station KFYZ (FM), licensed to Bonham, Texas that would cause us to loose coverage in the eastern part of our county. KFYZ would not provide weather coverage of Wise County nor would KIKM.

In the Joint Counterproposal submitted on April 5th, 1996, on page 3 (three), it states that KIKM and KBOC are continuing to negotiate an agreement. There is no negotiating taking place. This is an out and out falsehood. I have never been contacted by Hunt Broadcasting Inc. in any way.

In my opinion, this is a veiled effort of Hunt Broadcasting, Inc, to become a Metroplex Station and move into the Dallas-Ft. Worth Market. Therefore, this is a losing situation for KBOC-FM, our listeners and the people of Sherman that will be loosing their radio station.

I firmly believe this proposal should be denied.

Respectfully submitted,
